

Product data sheet

Product category	Electric inertia heaters
Brand	Qlima
Model	Sereno EPIH 5110
Colour	White
EAN code	8713508001142

Technical specifications

Heating capacity	W	1000
Installation type		Mounted
Suitable for space (max.)	m ³	40
Current (nom.)	A	4,3
Power supply	V/Hz/Ph	220 - 240~ / 50 / 1
Protection class		IP21
Control		electronic LCD / Wi-Fi
Length power cord	m	1
Plug type - power cord		Type C, CEE 7/16, Europlug
Dimensions (w x d x h)	mm	660 x 120 x 450
Net. weight	kg	14
Warranty*	year	5

All data is measured in accordance with applicable EU specified standards at the time of production. To be used for indicative purposes only.

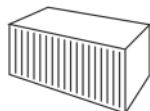

**Only 3 years of warranty on the electrical components and 5 years to the mechanical structure.*

Package content

Electric inertia heater, Wall mounting kit, User manual

Accessories (to order)

Description	EAN code

20 ft = 462
40 ft = 924
40 HQ = 1056

W x D x H =
74 x 16 x 53 cm

Gross weight
16 kg

Energy-efficient heating

Optimal performance

Easy programmable
with smart connect

Accurate thermostat

Long-term heating
storage (Dual Kehrr)

Energy efficient heating: The heaters are praised for their energy efficiency since they can continue to provide heat even after being turned off. Additionally, they typically operate at lower temperatures than conventional heaters, reducing energy consumption.

Optimal performance through high tech stone + cast iron: With its unique combination of convection, heat storage, and radiation, it excels in warming up spaces, maintaining temperature, and distributing heat evenly.

Easy programmable with smart connect: The heater is directly connected with the Tuya app in which you can program/control your heater.

Accurate thermostat: The thermostat is accurate, so the heater will not unnecessarily switch on and off.

Long term heating storage: the heater has the exclusive built in Dual Kehrr stone which conducts heat better and retains the temperature well.

Healthy air: There is no reduction of air humidity when the heater is turned on.

Silent heating: The heater produces no sound when turned on.

Easy operation: The heater is easily controlled with the display on the product and/or with the Tuya app.

Warmth radiance: The curved shape of the heater provides more radiant heating.

Made in Spain: The heaters are produced in Spain.

Open window detection: the heater turns automatically off when the temperature drops an few degrees in a short amount of time.

Design: The heater has a contemporary design which blends perfectly into your interior.
