

Product data sheet

Product category	Foldable gas heater
Brand	Qlima
Model	GH 142 RV
Colour	Black
EAN code	8713508785073

Technical specifications

Heating capacity steps		1500/2800/4200
Heating capacity	kW	4,2
Gas connection		G1/2
Energy efficiency class		A
Consumption (min./max.)	g/h	117 - 305
Autonomy (min./max.)	h	49 - 138
For rooms up to	m²	25 - 54
	m³	63 - 135
Gas cylinder capacity (max.)	kg	15
Max. gas bottle dimensions (Ø/h)	mm	320 / 615
Control		mechanical
Included - regulator kit type		N.A.
Dimensions (w x d x h)	mm	420 x 400 x 733
Net. weight	kg	8.5
Warranty	year	2

All data is measured in accordance with applicable EU specified standards at the time of production. To be used for indicative purposes only.

Foldable gas heater, User manual

Accessories (to order)

Description	EAN code

3 Temperature settings

ODS

Oxygen detection safety system

Tip-over safety switch

Easy to move

Piëzo ignition

Foldable design: It saves space because of its unique folding design for easy storage

Efficient and quiet: The gas heater is efficient and quiet. No blowers or fans are required to distribute the heat.

Flexible: The gas heater is capable of heating any room at any time. All gas heaters are mobile and can be used to provide extra warmth. For example, in draughty hallways, lounges or keeping you warm in a studyroom.

Tip over safety switch: The tip-over switch will automatically shut off the gas heater when the unit is tipping over.

Piezoelectric ignitor: This device takes care that the heater can be ignited easily. No matches or lighters are required to start the heater.

Castors: For easy movement the gas heater is provided with castors.

Oxygen depletion sensor (ODS): The gas heater is equipped with oxygen depletion sensors (ODS). These sensors can tell how much oxygen is left in the air. Decrease in oxygen levels will activate the sensor to shut off the gas. This security measure activates long before you would feel the effects of low oxygen levels.

Safety cut-off system: The gas heater has a safety cut-off system, which stops the flow of the gas to the heater when the flame is extinguished.

Heating settings: The gas heater has 3 heating settings, to adjust the heating capacity to the desired room temperature.

Design: This gas heater is part of a robust range of Qlima products.

Warranty: 2 year warranty.

Full colour box: The unit is delivered complete (including auxiliary parts) in a full coloured box, displaying applications and operation information in several languages.
